

Manual, Assembly instruction: Brodit 100991

4-prong mount for OtterBox uniVERSE tablet cases. With tilt swivel.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the mount.

1. Place the round 4-prong plate into place in the center hole in the uniVERSE tablet case.
2. The large parts of the holes in the plate should be pointing downward. Insert the tablet to secure the plate.
3. Adjust the center screw so the mount is firmly in place, but still can be adjusted. To mount your device with uniVERSE case: Place the device onto the mount so the 4-prong plate fits. Press forward and slide the device downward onto the 4-prong mount until it is locked into place. To remove the device with uniVERSE case: Slide the device upward and out from the mount.
4. The device is in place.
