

Manual, Assembly instruction: Brodit 213512

Center mount, Extra strength mounting platform.

1.)

2.)

3.)

4.)

Please read the instructions and look at the pictures carefully before installing the bracket.

1. Insert the thin end of the enclosed gap opener into the gap around the coin compartment.
2. Remove the coin compartment. Make sure to detach the wire harness that might be attached to the back side of the compartment.
3. Place the ProClip over the hole where the coin compartment used to be. Screw the ProClip into place using the enclosed screws. There is no pre-drilling required.
4. The ProClip is in place.
