Please read all of the instructions and look at the pictures before attaching the ProClip. It is important to install the ProClip first: any holder & equipment is to be attached after the ProClip is in place.

1. Pull the sides out slightly on the ProClip. Place the ProClip over the screen.
2. Press down on the ProClip until the angled part of the ProClip stops against the screen. Press the sides on both sides, against the screen.
3. View from the side.
4. The ProClip is in place.
