

Manual, Assembly instruction: Brodit 215527

MultiMoveClip: adapter plate for holder without tilt swivel. With AMPS holes.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the holder.

1. Place the mounting adapter so it matches the holes of the holder. Screw the mounting adapter into place with the enclosed screws.

2. The mounting adapter is in place.

3. Attach the holder by sliding it straight downward into the MultiMoveClip so you hear/feel it snaps into place. Remove the holder by pressing the latch on the MultiMoveClip and pressing/lifting the holder straight upward and out of the MultiMoveClip.

4. The holder is in place.
