1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the product.

1. Hold the mount in the desired position on the pipe.

2. Peel off the covers of the rubber strips. Attach one of the rubber strips onto the pipe, in the same height as the upper part of the mount.

3. when you use the wingnut-screws, it is easier to install and to move the pipe mount. Attach the pipe mount with the enclosed wingnut-screws.

4. The pipe mount is in place.
