

Manual, Assembly instruction: Brodit 216000

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the holder.

1. Loosen the screw in the center of the holder so you can remove the tilt swivel attaching plate on the back. Place the attaching plate onto the desired position. Screw the attaching plate into place with the enclosed screws. Place the holder over the attaching plate so the screw fits in the hole in the tilt swivel. Screw the holder onto the attaching plate. Tighten the screw so the holder is firmly in place, but still can be adjusted

2. Place the original mount onto the ball mount in the holder and press it firmly forward so it snaps into place. Place the device in the holder.

3. Remove the device from the holder. To remove the original mount from the holder: Press on the back of the original mount through the hole in the holder so it is released from the ball mount.

4. The holder is in place.
