

Manual, Assembly instruction: Brodit 216098

2 keys included. Can be used with Zebra XDIM module, Zebra article. no. 300140.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the holder.

1. Place the holder onto the desired position. Screw the holder into place with the enclosed screws.
2. To place the device in the holder: Place the lower part of the device in the holder, then flip/press the upper part forwards so it snaps into place in the holder. Push the lock downwards and press the button to lock.
3. To remove the device from the holder: Use the enclosed key to open the lock. Slide the locks upwards. Press upwards on the upper part of the holder, in the same time pull the upper part of the device out from the holder and then lift the device up and out from the holder.
4. The holder is in place.
