

Manual, Assembly instruction: Brodit 216252

Wall mount with MultiMoveClip.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the product.

1. Remove the screws in the device, as shown in the picture.

2. Place the holder onto the device. Attach it with the enclosed screws, as shown in the picture.

3. Mount the MoveClip: Place the MoveClip into desired position and attach it with the enclosed screws. Put the device into place: Hold the device over the MoveClip. Press it downwards onto the MultiMoveClip so it snaps into place. Remove the device: Press forward on the release lever and slide the device upwards away from the MultiMoveClip.

4. The product is in place.
