

Manual, Assembly instruction: Brodit 216298

Printers mount with label roll function. With AMPS-holes.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the product.

1. This mount fits any AMPS compatible forklift, vehicle, cart or pedestal mount. It includes the fasteners needed to attach to any compatible mount.

2. Fit the foot plate on the back of the plate. Note that a printer mount may be placed on top of this same hole pattern and attached to this roller mount. Attach using the included fasteners to set the foot. This mount is designed to work with multiple options of printer mounts that will attach to the same AMPS pattern shown here.

3. Attach the included non-scratch non-slip adhesive pads to the foot to prevent the mount from sliding or scratching desktop surfaces.

4. The product is in place.
