

Manual, Assembly instruction: Brodit 217122

With MultiMoveClip.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the product.

1. Loosen the screws in the printer. Place the mount on the printer so that the holes match.
2. Use the long screw for the bottom hole, two short screws for the top holes. Mount the MultiMoveClip: Place the MultiMoveClip into desired position and attach it with the enclosed screws.
3. Put the device into place: Hold the device over the MultiMoveClip. Press it downwards onto the MultiMoveClip so it snaps into place. Remove the device: Press forward on the release lever and slide the device upwards away from the MultiMoveClip.
4. The product is in place.
