1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the product.

1. Place the mount onto the device so the holes match. Screw the device onto the printer with the enclosed thumb-screw.
2. Place the printer next to the mount, push it in until you hear a click. To release the printer press in the locking lever, push the printer to the side until it comes free.
3. To adjust and lock the label roll, turn the lever sideways to lock. If you need to take a new grip, press the lever down to start over.
4. The product is in place.
