

Manual, Assembly instruction: Brodit 217153

Adjustable label guide, width-adjustable for different label rolls. For use with external roll.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the holder.

1. Loosen the screws slightly so that the guide arms can be angled. Pull the attachment points apart and place the label guide inside the printer.
2. Press down on the locking arms at the screws until the locking arms click into the marked recess. Check that both arms have clicked in and are securely fastened.
3. Adjust the guide rails to fit the width of the label roll you are using, then tighten the screws.
4. The label guide is now properly installed.
