3.)

4.)

Please read all of the instructions and look at the pictures before attaching the ProClip. It is important to install the ProClip mount first: any holder & equipment is to be attached after the mount is in place.

1. Place the mount over the padded center console frame. Press the upper edge into the gap between the padded frame and the frame surrounding the cup holders.
2. Pull the lower part of the mount out from the padded center console frame and hook the angled edge under the frame.
3. Press upward on the lower part so the angled edge hooks into place properly.
4. The ProClip is in place.
