

Manual, Assembly instruction: Brodit 655844

Center mount Only For 10" Screen.

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the ProClip.

1. How to mount the plate: You can mount it on the right or the left side of the ProClip, by using the enclosed screws.
2. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Peel off the adhesive tape cover on the ProClip. Press the sides out slightly on the ProClip. Place the ProClip over the screen and press down on the ProClip until the angled part of the ProClip stops against the screen.
3. Squeeze the sides against the screen.
4. The ProClip is in place.
