3.)

4.)

Please read all of the instructions and look at the pictures before attaching the holder.

1. Attaching the holder: Loosen the screw in the center of the holder so you can remove the tilt swivel attaching plate on the back.

2. Place the attaching plate on desired position. Screw the attaching plate into place with the enclosed screws. Place the holder over the attaching plate so the tilt swivel fits. Screw the holder onto the attaching plate. The holder is in place.

3. Placing the device in the holder: Place the device upper part of the device into the lower part of the holder. Press the upper part of the device upwards into the holder. Carefully, slide the device up into the holder so you hear/feel it snaps into place.

4. The holder is in place.
