

Manual, Assembly instruction: Brodit 811050

Headrest mount

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the headrest mount.

1. The headrest mount parts are to be installed the way that is shown the picture.
2. Place the back part of the headrest mount onto the front side of the headrest. Press it toward you, into the gap between the seats headrest and back support.
3. Place the mounting plate onto the back part of the headrest mount so the screws match the holes. Tighten the two screws using the enclosed tool so the headrest mount is firmly in place.
4. The headrest mount is in place.
