

Manual, Assembly instruction: Brodit 811901

Headrest mount

1.)

2.)

3.)

4.)

Please read all of the instructions and look at the pictures before attaching the headrest mount.

1. Press the thin edge on the upper part of the mount carefully upward into the gap in the headrest.
2. Place the thin edge on the lower part of the mount into the gap in the backrest.
3. Carefully turn the nut and make sure that the mount is properly in place in the gaps as the mount expands. Turn the nut until the mount presses upward and downward and is firmly in place. Use the enclosed tool to lock the mount into the correct position.
4. The headrest mount is in place.
