4.)

Please read all of the instructions and look at the pictures before attaching the ProClip mount. It is important to install the mount first: any device holder & equipment is to be attached after the mount is in place.

1. Place the mount over the center console frame. Hook the left edge onto the frame.
2. Pull the right edge of the mount out from the center console sidewall and press downward. Hook the angled lower edge under the center console sidewall.
3. The ProClip mount is in place, view from side.
4. The ProClip mount is in place.
