

Manual, Assembly instruction: Brodit 852922

Center mount, Low

1.)

2.)

3.)

4.)

Attention! Read all instructions before attaching the ProClip. Peel off the adhesive tape covers on the ProClip.

1. Remove the screw in the control panel.

2. Place the upper part of the ProClip in the coin shelf. Place the lower part of the ProClip so the hole matches the hole in the panel.

3. Screw the ProClip onto the panel using the enclosed screw.

4. The ProClip is in place.
