

Product 855691

855691 ProClip

Center mount

Keep your device within easy sight and reach in your car! The ProClip makes it easier and safer to use handheld devices in vehicles. The ProClip is a mounting bracket that you attach to the dashboard of your car. Onto the ProClip, you can install any accessory, e.g. a holder for mobile phone or other communication device.

The ProClip is car specific, it is customized for each car model and has a perfect fit. The ProClip offers a firm mounting platform and is available in multiple positions for most vehicles. Discreet design that blends in well with the interior. Safe, neat and convenient!

The ProClip is easy to install, you can do it in a minute! You simply snap the ProClip into place in gaps in the interior, you do not need to drill holes or use special tools or dismantle the dashboard. Detailed mounting instructions included. The ProClip has AMPS holes for easy installation of a holder. Made of high grade ABS/Acetal plastic. Color: Black. Developed and produced in Sweden.

- Do you want to be able to switch between several holders on the same ProClip? Please see Brodit's MultiMoveClip.
- Are you installing larger devices or heavier equipment? Please see Brodit's Extra Strength Mounting Platforms and Pedestal Mounts

EAN: 7320288556918

Item no 855691 fits:

Audi Q4 21-22 (For all countries)

INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before attaching the ProClip. It is important to install the ProClip first: any holder/equipment is to be attached after the ProClip is in place.

1. Press the thin end of the enclosed gap opener into the gap between the air vent and the surrounding frame, to widen the gap.
 2. Press the angled edge on the lower part of the ProClip into the gap between the frame surrounding the air vent and the center console.
 3. Press the upper part of the ProClip forward so the angled edge hooks into the gap next to the gap opener. Press on the ProClip so the angled edges go all the way into the gaps. Pull out the gap opener.
 4. The ProClip is in place.
