Please read all of the instructions and look at the pictures before attaching the ProClip. It is important to install the ProClip mount first: any holder & equipment is to be attached after the mount is in place.

1. Hold the mount over the screen, with the faceplate on the left side of the screen. Press/slide the mount straight downwards so it hooks onto the screen.

2. Pull/Flex the sides of the mount outward while pressing down. Press the mount downward so it is fully seated onto the screen.

3. The ProClip mount is in place.
